

Making Your Voice Heard – Our Staff and Teams

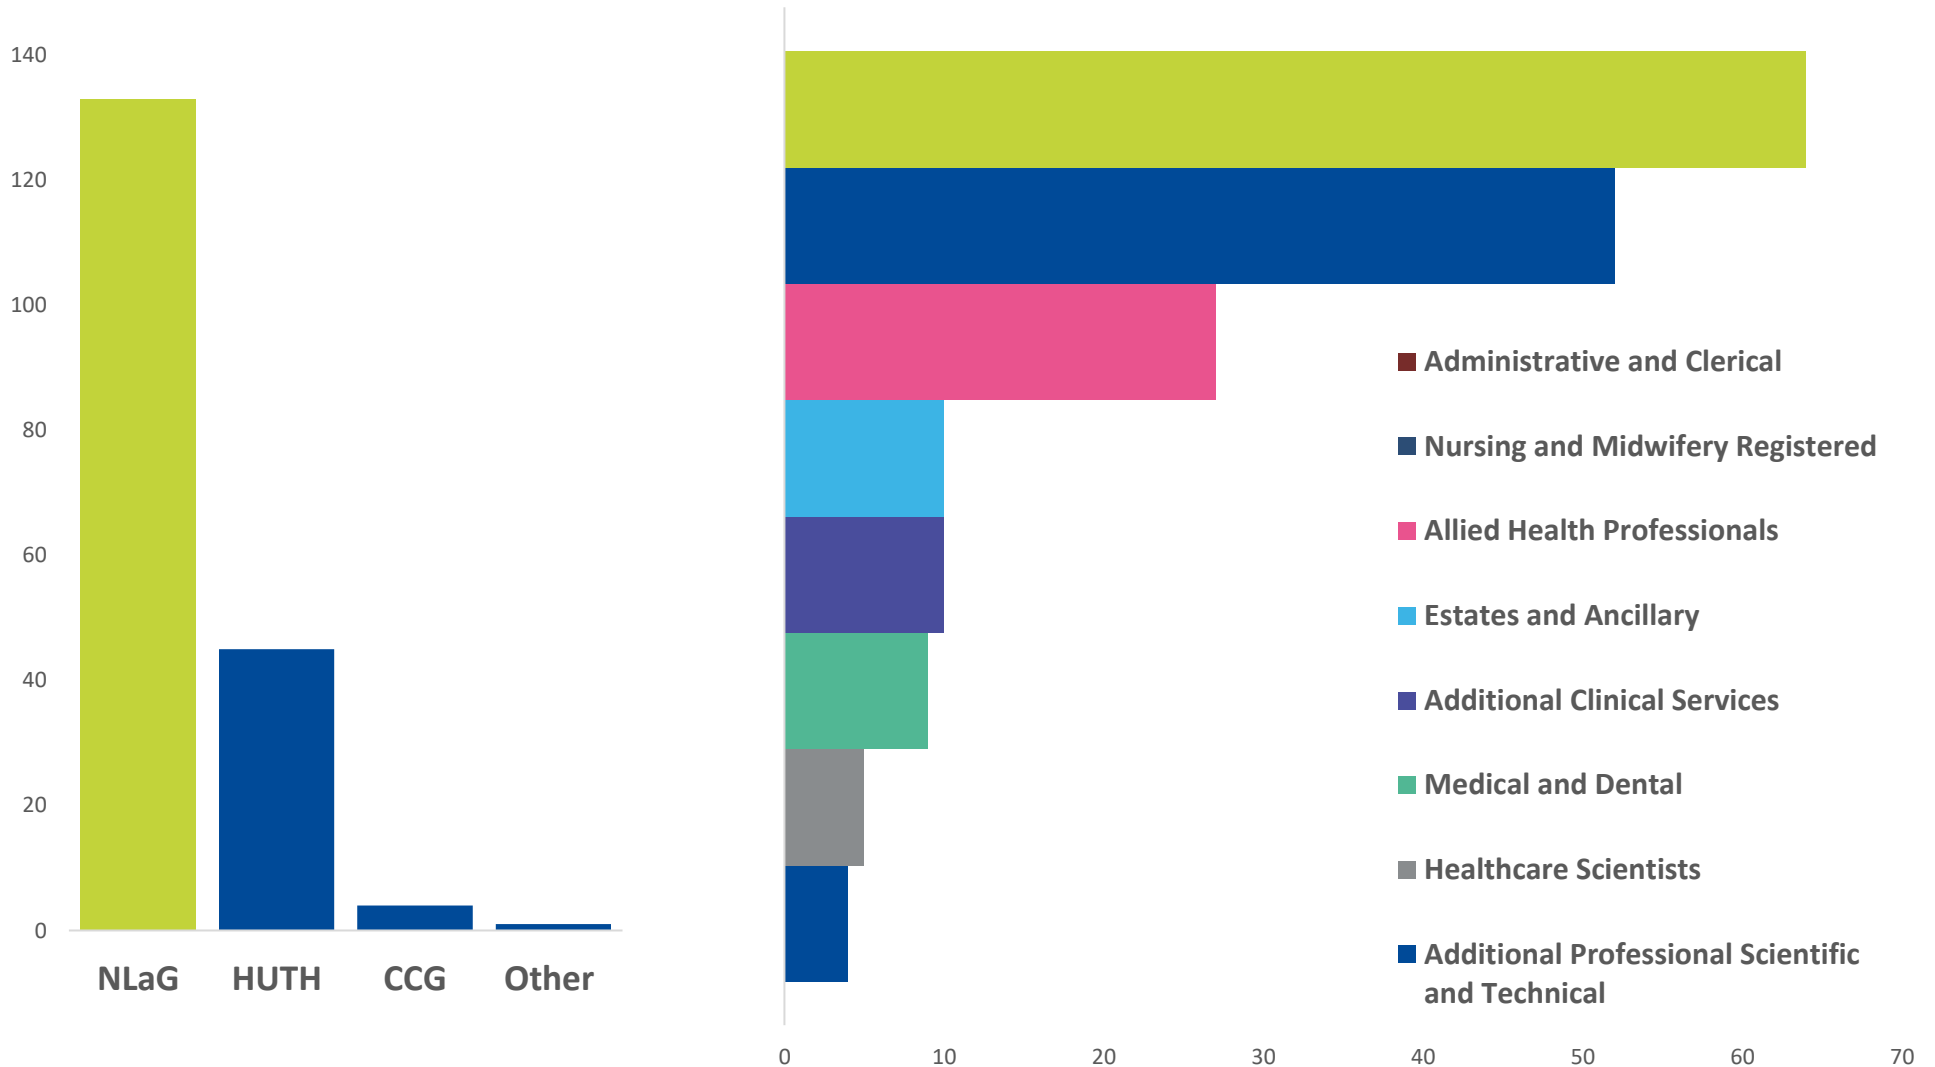

Engagement Findings

September 2021

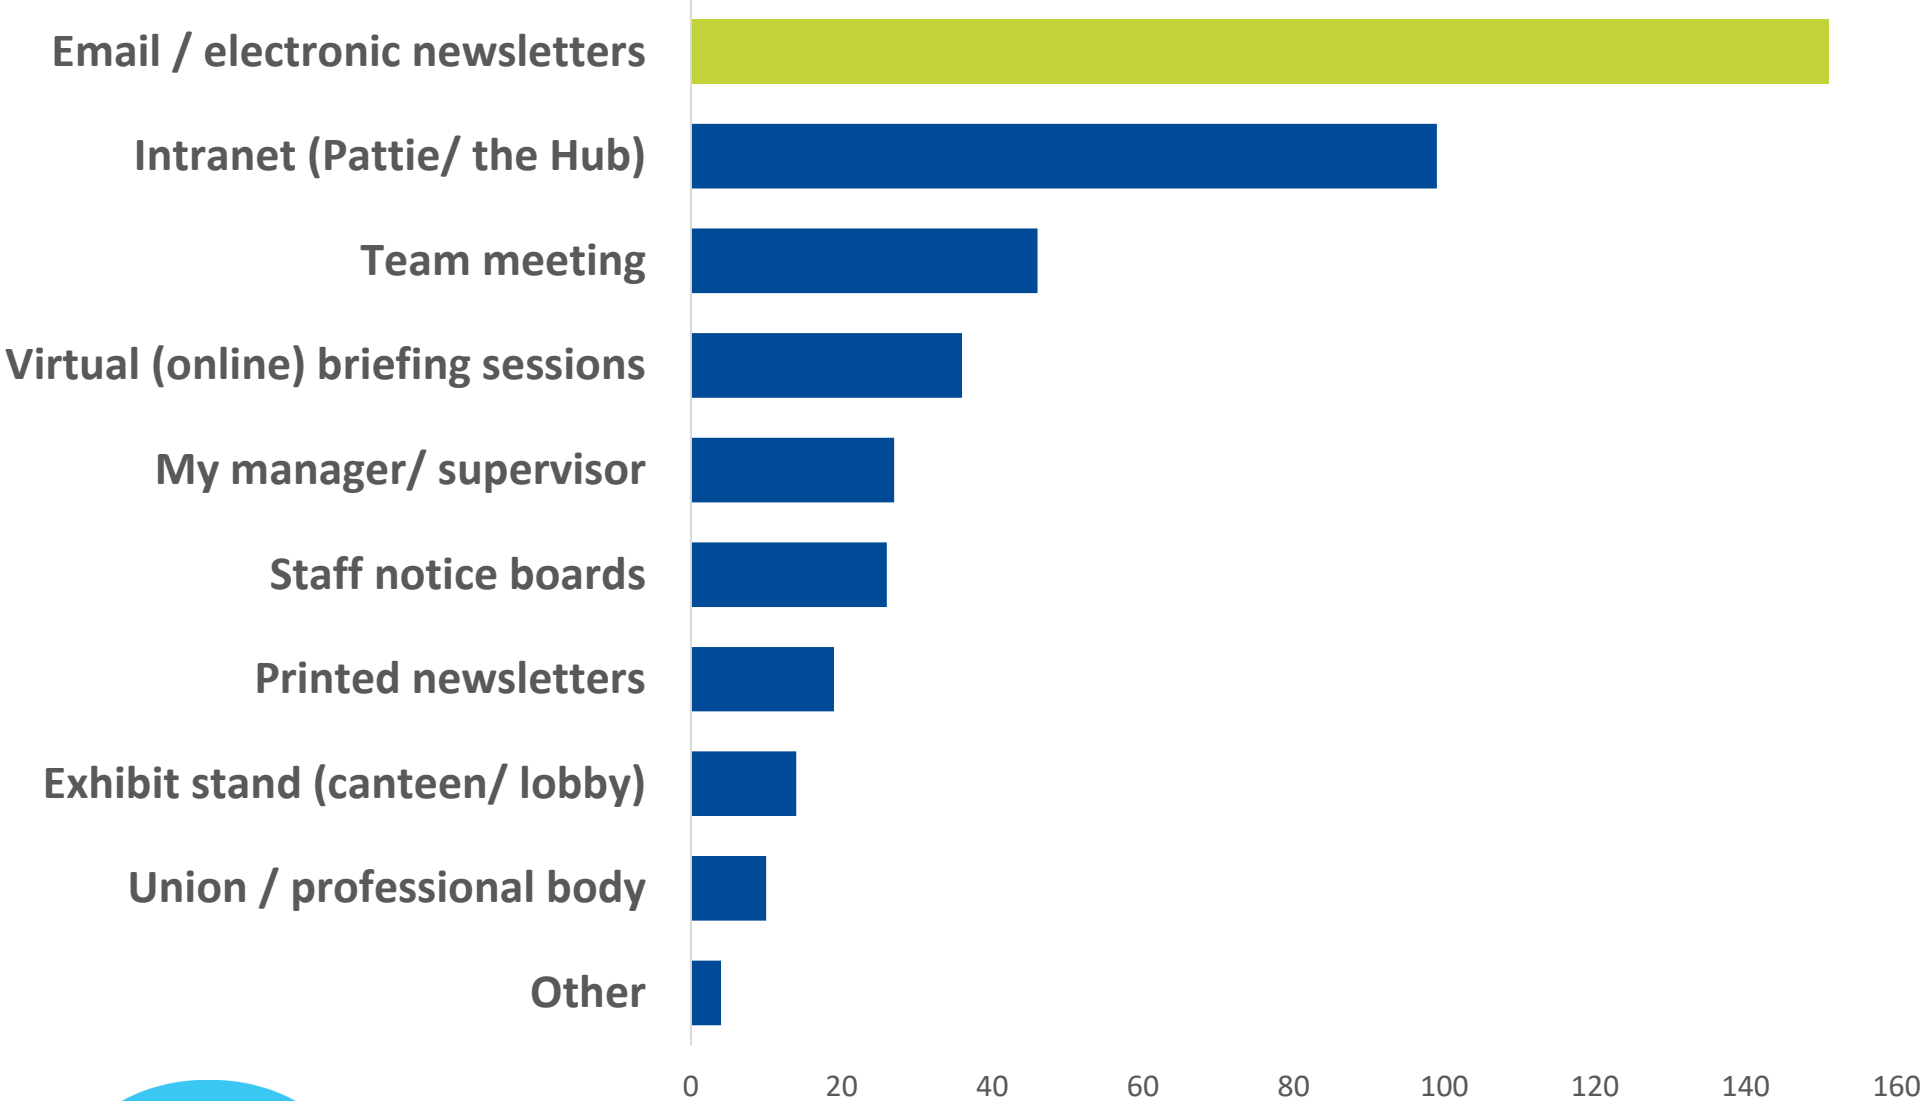

Who took part

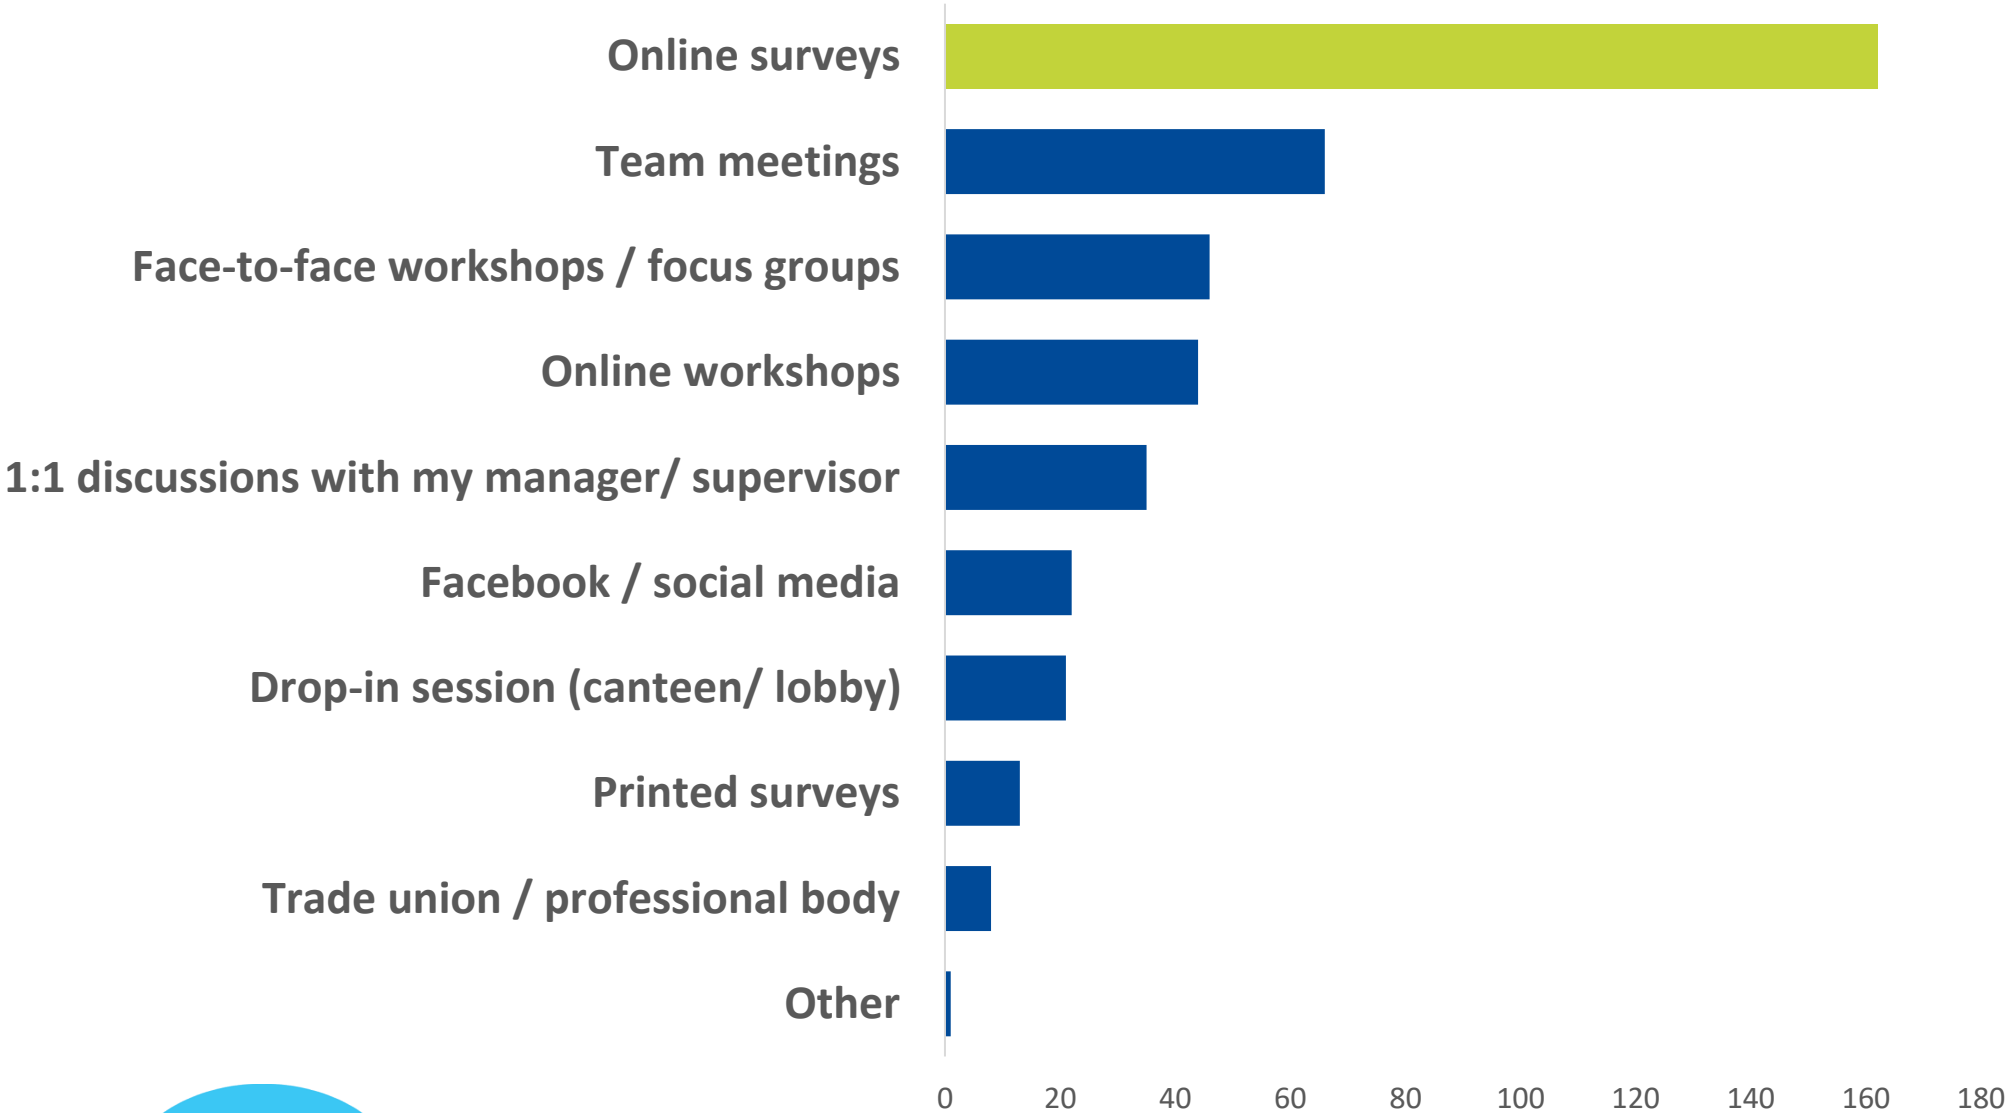

183 people responded to the quick poll

How would you prefer to find out information?

How would you like to get involved/share your ideas?

What other ideas do you have...?

“Face to face meetings with staff”

Be visible within the hospital.

“staff room displays would be helpful, especially for ward staff”

“Be concise, just simplify the info”

“Ensure heads of department cascade information down”

“Stop hiding in your offices and see how the front line staff are working”

“unable to access the HUB from home therefore definitely need email”

It is essential that our managers have discussions with us about changes not just forward information to us

Visually - infographics and 1 page newsletters

“maybe the ability to text ideas in?”
